

**CITIZEN INPUT SURVEY:
STATEMENT OF GOALS AND OBJECTIVES**
City of Stanford
Lincoln County, Kentucky

The 2000 Comprehensive Plan for the City of Stanford is currently being updated, to reflect the changes in our community since 1994 and to look forward to the year 2030.

As part of this update process, the Stanford Planning Commission has developed a draft Statement of Goals and Objectives. This Statement is a crucial element in the new Comprehensive Plan and, when finalized and adopted, will be the basis for future land use and development decisions that impact our community.

There are two ways you can comment on the draft Statement. You can review the Statement at http://www.bgadd.org/lincoln/lincoln_tellus.htm, or pick up a copy at the City Clerk's Office in Stanford, then take a few moments to fill out and return this survey. You are also welcome to voice your opinion at a Public Meeting to be held at the Historic L&N Depot, 1866 N. Depot Street in Stanford, on Thursday, April 24, 2008 at 6:00pm. The purpose of this meeting is to review the Statement of Goals and Objectives. Additional Public Hearings will be scheduled in the near future to discuss other details of the Comprehensive Plan.

**The Statement of Goals and Objectives
is intended to be a reflection
of the desires of the entire Stanford community.
Your input is encouraged and appreciated!**
